Iron and Steel Control PUBLIC NOTICES

Calcutta-1, the 16th November 1968

Sub: Payment for imports against licences issued under foreign credits/loans under the direct

payment procedure—endorsements therefor on Exchange Control copies against which no remittance of foreign exchange is permitted.

No. 77/AID(PN)/68.—Attention is invited to Public Notices issued by the Iron & Steel Controller and the Ministry of Commerce from time to time incorporating the terms and conditions applicable to Import licences issued against foreign loans and credits—Relevant Public Notices issued by the Ministry of Commerce have been quoted in their Public Notice No. 184-ITC(PN)/68, dated 30-8-1968. In the case of U.S. AID and West German Credit the following Public Notices were issued by the Iron & Steel Controller :—

- (i) U.S. AID—No. I&E/IV/10-13/66, dated 7-10-66 (as amended from time to time).
- (ii) U.S. AID—No. 70/AID(PN)/68, dated 27-9-68.
- (iii) West German Credit—No. 41/IP(PN)/67, dated 17-11-1967.

2. Wherever Iron & Steel Controller has not issued any separate Public Notice in respect of a specific loan, the Public Notices issued by the Ministry of Commerce, laying down terms and conditions of import under such a loan, will also be applicable to the licences issued by the licensing offices of the Iron & Steel Controller. In the licences issued, either the loan Number or Public Notice references are quoted or the specific conditions are attached to the licence itself, if necessary.

3. In accordance with the licensing conditions relating to each import licence, the importers are required to make payments for their imports in either of the following ways :—

- (a) In cases where the licences allow remittance of foreign exchange, as for example, licences below Rs. 50,000 each under West German Credits, licences under IDA/IBRD Loans for single payments below certain specified limits, licences under Canadian non-project loans for payments of ocean freight only, payments are made to the suppliers through normal banking channels by remittances against letters of credits or against bills drawn on collection basis; or
- (b) In other cases where the licences do not permit any remittance of foreign exchange, and are issued under the letter of commitment-cum-letter of credit procedure/direct payment procedure, payments are made direct by the aid giving agencies to the foreign suppliers, and the importers deposit the corresponding rupee equivalents for credit to Government account here in India

4. In both the types of cases referred to above, an Exchange Control copy of the import licence is issued by the licensing authority, with the difference that for 3(b) above the said copy is endorsed with a stamp that "No remittance of foreign exchange is permitted".

It is necessary that in all cases full particulars of the remittances/deposits made are endorsed on the reverse of the Exchange Control copy of the licence, against the stamp and signature of an authorised dealer (bank), mainly with a view to ensuring that the imports made and paid for do not exceed the licence value.

5. In regard to cases covered under para 3(b) above, various authorised dealers in foreign exchange (through whom the connected transactions invariably pass in each case) are already required to make the following endorsements on the licences in terms of the Exchange Control Regulations :—

- (i) For Value of L/C whom L/C is opened and
- (ii) For value of remittances made or bills paid as and when actual remittances are made or bills are paid.

6. As regards cases covered under para 3(b) above, the endorsement (ii) in preceding para is not made by the authorised dealers for the reason that no remittances are made. Endorsement (i) in preceding para is also not made in cases where letters of credit are not opened. The procedure in the latter case is not uniform as is explained in the sub-para below.

In cases under the letter of commitment-cum-letter of credit procedure, as in the case of AID and West German Licences, Letters of credit are opened by importers through banks, and subsequently requisite rupee deposits are made to Government Account through them. In such cases, it will be necessary to endorse the Exchange Control copy of licences as in (i) mentioned in the preceding para. But in other cases of Direct payments, as in the case of U.K. Credits licences, no letters of credit are opened at all. In such cases, it will not be possible to endorse the Exchange Control copy of licence as in (i) in preceding para. It will also not be possible to endorse the Exchange Control copy of licence as in (ii) in preceding para because the rupee deposits required to be made to Government Account can be made by importer direct into a Government Treasury, so that the authorised dealers will not have any information in such cases.

7. Since in cases covered under para 3(b) above, the Exchange Control copy of Import Licence does not indicate details of payments for imports made, it has been decided that with effect from 1-10-1968 it will be obligatory for the importers to make requisite rupee deposits through authorised dealers only, in each case, and also to get the Exchange Control copy of the relative import licence suitably endorsed by the authorised dealer in regard to all deposits made. For this purpose, the following drill should be followed by the importers in each case:—

(i) As and when the requisite rupee deposit becomes due for payment in terms of the relative licens-

ing conditions, the importers should make the requisite rupee deposit through an authorised dealer in foreign exchange and produce the exchange control copy of his import licence to the bank.

(ii) At this time, the importers should also fill, in duplicate, the form "S" incorporated in the Annexure to this Public Notice, prescribed by the Reserve Bank, for making rupee deposits in Government Account. It should however, be ensured that the various columns of this form are filled in correctly and legibly, particularly the complete number of the import licence/C.C.P. with prefixes and suffixes. One copy of the form will be retained by the bank after the deposit is made and the other copy forwarded to the Reserve Bank of India, Department of Statistics, Bombay.

(iii) The importer should see that full particulars of deposit have been endorsed on the exchange control copy of his Import Licence by the bank against its authorised stamp and signature in the space provided for this purpose (the endorsement will be made by the bank at the composite rate of recovery as applicable in each case). After final deposit is made the Exchange Control copy of the import licence should be surrendered to the bank.

8. Necessary instructions for making requisite endorsements of deposits on import licences are being issued by Reserve Bank to the various authorised dealers in foreign exchange. The Reserve Bank will also arrange for supply of printed copies of their Form "S" at the counter of the banks.

9. The above requirements will be incorporated in the licensing conditions in future as and when the same are issued. Meanwhile, the licensing conditions already issued may be deemed to have been amended accordingly with effect from 1-10-1968.
